Sir:

In response to the Notice of Incomplete Reply dated October 9, 2001 (copy enclosed), enclosed please find:

- [X] Abstract of the technical disclosure.
- [X] A Petition for Extension of Time for 2 months is hereby made, under provisions of §1.136(a); a check in the amount of \$200.00 is enclosed per §1.17.

The notice also indicates that an additional claim fee of \$297.00 is due. This fee was included in the \$652.00 check for the filing fee (\$355.00 for the small entity application fee and \$297.00 for the additional claim fee) filed with the response to the Notice to File Missing Parts on August 13, 2001. Attached is a copy of the return receipt postcard indicating that a check for \$652.00 was included with the response. Therefore it is believed that this fee is not due.

Please add an abstract at page 36 as follows:

Abstract

Apparatus for conducting electrophysiological measurements on cells wherein a measuring head is provided with at least one electrode in a common support for impaling the cells.

It is noted that the Notice to File Missing Parts did not have a requirement for an abstract. Therefore there is no basis for applicant to be charged extension fees for the abstract or the incorrect filing fee and a refund is requested.

In the event any additional fee is required, please charge such amount to Patent and Trademark Office Deposit Account No. 23-0804. A triplicate of this transmittal letter is enclosed.

Respectfully submitted,

KARL-HEINZ BOVEN, ET AL.
